

Wilmette Park District
Parks & Recreation Committee Meeting
Monday, July 6, 2020
7:00 p.m. – Mallinckrodt Center and Zoom (see below)

AGENDA

I. Meeting Called to Order:

Members of Committee:

Commissioner Mike Murdock, Chair
Commissioner Cecilia Clarke
Commissioner Amy Wolfe

Staff:

Superintendent Emily Guynn
Superintendent Kristi Solberg

II. Communications and Correspondence
a. Various re: Paddle Tennis Staff

III. Public Comment

IV. Unfinished Business

V. New Business

- a. Public Input Process for Community Playfield Amenities
- b. Pool Pricing Analysis
- c. Survey of Surrounding Communities' Public Pool Operations
- d. Platform Tennis Staffing Update

VI. Managers' Reports

VII. Adjournment

This meeting will be held in-person at the Mallinckrodt Community Center as well as remotely on Zoom by the Parks & Recreation Committee. To participate via Zoom on the phone, please call **312-626-6799** and enter meeting ID# **829 5397 6144** and Password# **443218**.

If you are a person with a disability and need special accommodations to participate in or attend a Wilmette Park District meeting, please notify the Director's Office at 847-256-6100.

Wilmette Park District **Policy for Public Comment**

The Board of Park Commissioners, in its regular or special meetings, is a deliberative body assembled to make decisions on new and pending matters affecting the District. Park Board and Committee meetings are meetings held in public, not a public meeting. The Board invites both oral and written communications from its residents.

To facilitate the conduct of Board/Committee meetings, the following procedures will be followed:

1. A section of each regular meeting is set aside for public comment and will be noted on the agenda as "Recognition of Visitors."
2. During the "Recognition of Visitors" agenda item, audience members should raise their hands and be recognized by the President/Chairperson prior to speaking.
3. When recognized by the President/Chairperson, each audience member should identify themselves and limit speaking to no more than three (3) minutes, unless additional time is granted by the President/Chairperson.
4. Questions are to be directed to the entire Board/Committee.
5. Park Board members may, by addressing the President/Chairperson, interrupt a presenter to obtain clarification and/or further information.
6. A Board/Committee meeting is not a forum for complaints against individual employees. Such matters are handled by directly contacting the Executive Director. Complaints against the Executive Director should be handled by directly contacting the President of the Board of Park Commissioners.
7. During presentation and discussion of agenda items, the President/Chairperson will not recognize speakers in the audience unless the Board/Committee desires additional information from an audience member.
8. When addressing the Board/Committee, all persons permitted to speak shall confine their remarks to the matter at hand and avoid personal remarks, the impugning of motives, and merely contentious statements. If any person indulges in such remarks or otherwise engages in conduct injurious to the civil discourse of the Board/Committee and the meeting, the President/Chairperson may immediately terminate the opportunity to speak. This decision is at the discretion of the President/Chairperson or upon the affirmative vote of two-thirds (2/3) of the park board commissioners present.
9. Any person, except a member of the Board, who engages in disorderly conduct during a meeting, may be ejected from the meeting upon motion passed by a majority of the Board present.

Subject: [external] Reinstate Ania Kazakevich
Date: Friday, June 19, 2020 10:15:57 AM

Dear Executive Director Wilson,

I am writing to you today to request that the Park District immediately rehire Ania Kazakevich as the Head Pro and Manager of Platform Tennis at the platform tennis club.

I am a resident and taxpayer of Wilmette and I have been a member of the platform tennis club for several years now and simply put, the main reason I have stayed is because of Ania. She's an amazing coach, of course. But she also makes the paddle program in Wilmette fun and inclusive. To state it plainly: for many of us members, she is the draw that brings us back to the club season after season. We gain amazing technical and strategic skills with Ania's coaching, along with her enthusiasm for things like the paddle boot camps, the social evenings, mixed doubles nights, and other events throughout the year.

Between the cost of a membership to the club, the fees for the league, drill fees, and boot camps, I spend over \$2,000 a year at the paddle club. I can honestly say that if Ania isn't going to be the pro at the club, I likely won't continue as a member. I think you will find there are many of us feeling the same. Luckily for us, there are now many more options to play at public clubs on the north shore. But our hope is always to keep playing at Wilmette and to keep playing for and learning from Ania. Having Ania as the pro for Wilmette puts our park district on the map for paddle tennis in the north shore as we are considered a very competitive club with one of the most sought after pros for instruction.

I ask that the Park District rehire Ania immediately so we can get back on the courts with a full roster of teams in the fall.

Thank you for your time and consideration.

Sincerely,

Tiffany Laczkowski

Dear Executive Director Wilson,

I am writing to you today to request that the Park District rehire Ania Kazakevich as the Head Pro and Manager of Platform Tennis at the platform tennis club.

I am a resident of Glenview and I have been a member of the platform tennis club for a couple years now. I moved over from the Prairie Club specifically to be coached by Ania. And the main reason I have stayed is because of Ania. She's an amazing coach, of course. But she also makes the paddle program in Wilmette fun and inclusive. I can't speak for everyone, but I know that the many women that I have spoken to say she is what brings them back to the club season after season. I have met many women from clubs all over the north shore that come to Wilmette to be coached by Ania!

Between the cost of a membership to the club, the fees for the league, drill fees, and boot camps, I spend over \$2,000 a year at the paddle club. I can honestly say that if Ania isn't going to be the pro at the club, I likely won't continue as a member. I think you will find there are many of us feeling the same. Subject: [external] Reinstatement of Ania Kazakevich at Platform Tennis Club
Date: Friday, June 19, 2020 12:11:26 PM

Dear Executive Director Wilson,

I am writing to request that the Park District immediately rehire Ania Kazakevich as the Head Pro and Manager of Platform Tennis at the platform tennis club.

As a resident and taxpayer in Wilmette, I believe that quality instruction and coaching should be as accessible to the public as to those who are able to join private clubs. After playing paddle at a private club for several years, I chose to join the Wilmette Platform Tennis club for the opportunity to work with Ania. Before taking a break from tournaments, Ania was ranked nationally in the top 10. As players, we benefit from her direct experience in competition and as a result, she has been able to build a very competitive ladies program. Without Ania at the helm, I will not continue league play or membership at Wilmette Park District.

If Ania is replaced with a less skilled and experienced professional, I will be far from the only player to will leave the program. In addition to private clubs, there are numerous public alternatives in Glenview, Winnetka and now Northbrook. This season, I spent more than \$1,300 to belong to the platform tennis club and participate in drills and leagues. There are currently six ladies teams with an average of 10 players each. The park district would forgo at least \$78,000 from the ladies league alone if you are unable to field a successful program due to player departures. Many league players and other North Shore residents also participate in clinics, lessons, in house leagues and social events that, in addition to the men's league, bring significant additional fee revenue to the park district. Without Ania as club manager, there will be little ability to organize these additional revenue generating activities. With the reopening of courts in Illinois's COVID-19 Phase 3, other clubs have begun offering lessons and organized in house match play. Because Ania was laid off, there is no one at the Wilmette Platform Tennis Club to plan these activities. With a significant investment of tax payer dollars to build two additional courts last year, it seems short sighted to risk losing platform tennis fees by eliminating a successful head pro and club manager.

Ania built a program from scratch, gained the loyalty of players and continued to find creative ways to involve members in team building revenue generating programs. She more than repays the investment in her salary every year. With so many competitive alternatives available to our residents through other Park Districts and private clubs, I am very concerned that the program will not continue its success without Ania's leadership. On a personal level, I would also be sad to see a talented coach and teacher forced to seek employment elsewhere.

I ask that the Park District rehire Ania immediately.

Sincerely,

Anne Sullivan

Dear Executive Director Wilson,

I am writing to you today to request that the Park District rehire Ania Kazakevich as the Head Pro and Manager of Platform Tennis at the platform tennis club.

I am a resident of Glenview and have been a member of the Wilmette platform tennis club for several years now. The main reason I decided to join the club as a non-resident and why I have stayed is because of Ania. She's an amazing coach, but she also makes the paddle program in Wilmette fun and inclusive. Having played at another club, I can clearly see the difference that Ania makes in how well a program is run. I am sure you will find that for many of us members, she is the draw that brings us back to the club season after season. We gain amazing technical and strategic skills with Ania's coaching, along with her enthusiasm for things like the paddle boot camps, the social evenings, mixed doubles nights, and other events throughout the year.

Between the cost of a membership to the club, the fees for the league, and drill fees. I spend about \$1,600 a year at the paddle club. I can honestly say that if Ania isn't going to be the pro at the club, I likely won't continue as a member. I think you will find there are many of us feeling the same. There are now many more options to play at public clubs on the north shore, but my hope is to keep playing at Wilmette and to keep playing for and learning from Ania. Ania is well known as an excellent coach throughout the area and players will be inclined to follow her should she not return to Wilmette.

I ask that the Park District rehire Ania so we can get back on the courts with a full roster of teams in the fall.

Thank you for your time and consideration.

Sincerely,

Kelly Bireley

Dear Steve,

It has come to our attention that you are considering not re-instating Ania Kazakevich as the Head Platform Tennis Pro this fall. We urge you to re-evaluate the value she brings to the program. In our opinion, her merits are manifold:

- Growing the Program: Currently, Ania is waiting for league approval to add teams to the Wilmette portfolio. With 6 courts, Wilmette is often at capacity for team practices and during league play days. And, her continued efforts will help ensure they stay full.
- Growing Revenues: Since Ania's arrival, options for paddle instruction have expanded. Beyond collecting dues from the growth of the membership, the Park District has benefited from revenue generated by team drills, boot camps, private lessons, and group clinics (such as the newly introduced, twice-weekly screen clinics)
- Growing the Program's Stature: Ania's reputation as a top teaching professional is widespread and attracts not only Wilmette residents, but players from surrounding communities (who pay non-resident rates). For example, on our team alone (Series 2) we have 3 players from Winnetka, 1 from Lake Geneva, 1 from Valley Lo and 1 from Chicago. This is consistent with her draw for lessons as well. Part of that stature also comes from her reputation and connection to other teaching professionals. And that connection could be invaluable if COVID affects the start of the fall league-play and programs are forced to re-think how they execute inter-club events.

We realize that COVID has set back many businesses and individuals financially. However, we strongly believe that Ania's leadership and talent more than offset the differential cost you would pay to retain her as the head of the program.

Thank you for your careful and thorough consideration.

Good Afternoon,

I am writing to inquire about the Platform Tennis program for the fall. I belong to a different club and was planning on switching to Wilmette Paddle for the fall until I found out Ania had been furloughed. I was switching to Wilmette Park District because of Ania. I have taken lessons from her and she is an excellent teacher of the game. Do you know the status of your program?

Thanks,
Lisa Jamieson

Hi Steve,

I left you a voicemail yesterday and was hoping to talk to you. I'm sure you're extremely busy at the park district with the current state of things and dealing with the far-reaching effects of the coronavirus.

I've been hearing a lot of talk and getting many questions regarding Ania Kazakevich and whether or not she'll be returning after the furlough of non-salary park district employees. I also know that you've been hearing from women who currently play paddle at Wilmette Park District supporting Ania and requesting that she be brought back to continue to manage the paddle program.

I wanted to send along a few comments in addition to supporting all of the points made by Sally Tomlinson and Tiffany Laczkowski. I've worked with Ania, since she started working at Wilmette, in the capacity of club coordinator, team captain, teammate, and partner. With her prestige and talent as a nationally ranked player, her excellent drills and lessons, her passion for the sport, and incredible work ethic; she is **invaluable** to the Wilmette Paddle Program. She is a huge draw.

I won't waste your time listing all of the positive attributes that others have pointed out. I will simply add that the momentum she has created with the women's side of the program will be lost if she is not brought back. It will have a negative financial impact as women will leave the club and play elsewhere and non-residents won't come to Wilmette for league play and drills.

I realize there is a financial strain on so many families, businesses, and public entities, including the park district. The cost of Ania is worth it.

Thanks for your time and consideration. I really appreciate it. Have a nice weekend.

Best regards,
Elizabeth Nassar

I wanted to share my thoughts with you regarding paddle tennis at Wilmette. I've been in the program for a few years now. I'm a Glenview resident that left Glenview's program after many years. Ania was one of the reasons why I left Glenview. I have enjoyed my experience with Wilmette and Ania. I think she really cares about the program and the people. I would love for her to be able to still run the program.

It's not an easy thing dealing with women and paddle tennis, she does a great job at it. I think having a woman is vital, and she really strives at making our program better. I hope you will reconsider keeping Ania as our head pro.

Thank you,
Colleen Washburn

Subject: [external] Please rehire Ania
Date: Sunday, June 21, 2020 7:55:37 AM

Dear Mr. Wilson,

I am a Deerfield resident with many Paddle tennis options for the upcoming season. At least half a dozen public facilities are closer to where I live and work (Deerfield) than Wilmette. Yet, over the years I have chosen to pay the non resident fee to belong to the Wilmette Paddle Tennis Club and join the Women's League. Why do I do this? One reason: I want Ania to be my Paddle Tennis Pro.

Ania is a caring and thoughtful person who works so hard each and every day to teach all of us not only paddle tennis skills, but life skills as well. Ania is an incredibly talented teacher and an honest evaluator of a player's skills. She will get a player to the 'next level' if the player has the desire and temperament to work hard. I know this because she has helped me learn more about the game and my skills each and every year.

I have had many coaches throughout my life as a High School and College Athlete as well and Ania ranks up with the best.

With your help, I look forward to seeing Ania at Wilmette for the Fall Paddle Season.

Kind regards
Sue Weitzman

Date: Sunday, June 21, 2020 4:47:36 PM

Dear Executive Director Wilson,

I am writing to you today to request that the Park District immediately rehire Ania Kazakevich as the Head Pro and Manager of Platform Tennis at the platform tennis club.

I am a resident and taxpayer of Wilmette and I have been a member of the platform tennis club for several years now and simply put, the main reason I have stayed is because of Ania. She's an amazing coach, of course. But she also makes the paddle program in Wilmette fun and inclusive. To state it plainly: for many of us members, she is the draw that brings us back to the club season after season. We gain amazing technical and strategic skills with Ania's coaching, along with her enthusiasm for things like the paddle boot camps, the social evenings, mixed doubles nights, and other events throughout the year.

Between the cost of a membership to the club, the fees for the league, drill fees, and boot camps, I spend over \$2,000 a year at the paddle club. I can honestly say that if Ania isn't going to be the pro at the club, I likely won't continue as a member. I think you will find there are many of us feeling the same. Luckily for us, there are now many more options to play at public clubs on the north shore. But our hope is always to keep playing at Wilmette and to keep playing for and learning from Ania. Having Ania as the pro for Wilmette puts our park district on the map for paddle tennis in the north shore as we are considered a very competitive club with one of the most sought after pros for instruction.

I ask that the Park District rehire Ania immediately so we can get back on the courts with a full roster of teams in the fall.

Thank you for your time and consideration.

Sincerely,
Nicole

Hi Steve,

I play paddle for Wilmette and wondering if Ania is there or if there is going to be a new Pro there?

Please let me know, so that I can make an informed decision.

Thank you,

Will Wilmette continue to offer paddle tennis coaching and teams this fall? If so, will you need bringing Ania back? If not, would you be willing to share who the new coach(s) will be?

Thank you,

Anne Mastrapa
Wilmette resident and paddle player

Re: Community Playfield Amenities Public Input

At the request of the Committee, and as discussed at a prior Board of Park Commissioner's meeting, the staff has been requested to outline a recommended process for gathering public input regarding amenities at Community Playfields as negotiated with the Village of Wilmette as a part of the storm water reservoir project.

Attached you will find a rough draft of a survey that would be sent to the community to gather input. The basis for this survey is the survey the District commissioned with an outside consultant regarding the amenities in Gillson Park in 2016. The survey has been converted to be specific to Community Playfields and the items negotiated in the intergovernmental agreement with the Village of Wilmette. At the meeting, the Committee can determine if it wishes to proceed with a survey in this format or in another manner.

In addition to the survey, staff is recommending two public input sessions be conducted in addition to encouraging public input at all future Parks and Recreation Committee and Board of Park Commissioner meetings until final decisions are made. Staff is recommending the two public input meetings be conducted outdoors to encourage as much participation as possible given the varied level of comfort by residents surrounding COVID-19. The meetings would take place in Community Playfields themselves and can be facilitated by staff, the Parks and Recreation Committee, or a Committee of the Whole.

Staff will be seeking board guidance on timing of the survey and public meetings during the discussion at the meeting.

If you have any questions, please contact me.

Wilmette Park District Community Survey Regarding Community Playfields: Questionnaire

Draft 7/1/20

Introduction

The Wilmette Park District is conducting community-wide resident survey to better understand residents' opinions about the District's Community Playfields, located between Wilmette Junior High and Highcrest Middle School.

The survey includes questions about awareness, usage, and potential improvements to these properties, and this is your opportunity to share your opinions. Your answers will remain completely anonymous and will be grouped with all others who complete the survey.

We thank you for your participation and your feedback; your opinions are very important.

1. How many years have you lived in Wilmette? _____
(If less than one year, please enter "1".)
2. In the past twelve months, have you or have any other members of your household used or visited Community Playfields?
 - 1 Yes
 - 2 No
 - 3 Not Sure (Community Playfields is located between Wilmette Junior High and Highcrest Middle School)
3. [IF YES TO Q2]: In the past twelve months, how often have you and other household members used or visited Community Playfields? Please provide your best estimate.
4. [IF YES TO Q2]: Below are some specific **areas and features/amenities** at Community Playfields. Please indicate all that you and other household members have used or visited in the past year. [VARY ORDER]
 - 1 Soccer Fields
 - 2 Walking or Bike Path

- 3 Baseball Fields
- 4 Cottonwood Grove
- 5 Playground
- 6 Tennis Courts
- 7 General Open Space
- 8 Other areas or park features: Please specify. _____

5. [IF YES TO Q2]: What do you and other household members typically do when you visit Community Playfields? Please list the types of **activities** and **things that you do** when visiting Community Playfields.

6. [IF YES TO Q2]: What do you like most about Community Playfields currently? Please be specific.

7. [IF YES TO Q2]: What do you dislike most about Community Playfields currently? Please be specific.

8. [IF NO TO Q2]: Why has your household not used or visited Community Playfields in the past year? Please be specific.

[ALL]:

9. Overall, how satisfied are you with Community Playfields currently using a zero through ten scale. Zero means you are completely dissatisfied with Community Playfields, ten means you are completely satisfied, and five is a neutral score.

10. In general, how much would you say Community Playfields contributes to the overall quality of life in Wilmette?

- 1 A great deal
- 2 Somewhat

- 3 Not much
- 4 Not at all

11. How much would you say that Community Playfields contributes to the overall image of the community?

- 1 A great deal
- 2 Somewhat
- 3 Not much
- 4 Not at all

12. As you may know, the Wilmette Park District has considered concepts for improvements to Community Playfields as a part of the Village's Storm Water Reservoir project. Overall, how familiar are you with these improvement options?

- 1 Very familiar
- 2 Somewhat familiar
- 3 Not very familiar
- 4 Not at all familiar

Below is a list of possible improvements to Community Playfields. The improvements have been agreed to in concept via an Intergovernmental Agreement (IGA) with the Village of Wilmette. Please indicate how important or necessary you think each improvement is using a zero through ten scale. Zero means you think it is not at all important, ten means it is extremely important, and five means it is of average importance.

- a. Running water washrooms located in the park
- b. Recreational fitness path, including outdoor fitness equipment and low ground lighting, around the perimeter of the park
- d. A comprehensive landscape plan for the entire park

15. From that same list, please rank in order of importance the improvements you would like to see at Community Playfields.

Please place a "1" next to the most important improvement, a "2" next to the second most important improvement, and so on.

You may select any number of improvements that you feel are most important.

16. Aside from those listed in the previous questions, are there any other improvements you would like to see at Community Playfields?

- 1 Yes
- 2 No

17. [IF YES TO Q16]: What other improvements would you like to see at Community Playfields? Please be specific.

Re: Pool Pricing Analysis

At the request of the Committee, I created the attached analysis of the lap swim pricing. The first 8 columns are data from the online reservation system the public is using to reserve lap lanes. For the columns with the breakdown of resident versus non-resident, through June 30th, you see actual numbers. For the days beyond June 30th, the resident and non-resident amounts were estimated by me using the 62% resident usage through June 30th. As you can see, the overall usage is at 81%.

The next two columns show the revenue for residents at \$16 per hour per reservation and non-residents at \$26 per hour per reservation. You can see the totals at the bottom.

The remaining columns illustrate different pricing and different usage scenarios. Each scenario employs resident pricing of \$10 per hour per reservation while the non-resident rate remains at \$26. Scenario 1 assumes that the non-resident usage remains the same as it has been thus far, but that all the remaining time is consumed by residents, making the overall usage of the available lap lanes 100%. Scenario 2 assumes the same non-resident usage, but 90% usage of the remaining time by residents. Scenario 3 assumes the same non-resident usage, but 85% of the remaining times by residents.

Ultimately, each scenario results in less revenue than our current pricing model. With that said, these three scenarios are simply conceptual, and only scratch the surface of possible concepts for pricing and usage. Therefore, I will have available during the meeting the spreadsheet via my computer to create alternative concepts at the request of the Committee.

If you have any questions, please contact me.

Date	Time	Usage				RES		NR

Re: Surrounding Communities' Public Pool Survey

At the request of the Committee, below is information regarding what other communities are doing with their public pool operations. Staff will be ready to discuss the information below and any questions regarding the operations at Centennial Family Aquatic Center.

Glenview

Glenview has two outdoor facilities and one indoor facility. During Phase 4, they opened one of their two outdoor facilities and have announced they are not opening the other nor their indoor facility. In their lap lanes they have a capacity of 16 or 8 at any one time. The difference is driven by other uses of the pool at the same time. They are also allowing up to 100 other people use their facility in 3 time blocks, two are 3 hours long, and one is 2 hours long. Admission requires buying a membership ranging in price from \$84 to \$114 per person depending on membership level and benefits, and then making a reservation. If members do not book all available slot, they are allowing daily admissions for \$11.

Des Plaines

While Des Plaines is a bit further away than our usual surrounding comparison Districts, they do have a public pool in operation so I wanted to include it. They have two outdoor pool facilities. They opened one of them for limited operations. They are providing three, 1.5 hour, public swim sessions per day. Each session has a maximum capacity of 50 people. Their process for obtaining a public swim spot is on a first come first serve basis. People can purchase passes ranging in price from \$65 for a resident individual to \$143 for a family of 5 residents. They are also allowing daily admissions for \$7.50 for residents and \$16.50 for NR to attend public swim on a first come first serve basis.

Deerfield

They have 2 outdoor pools and have announced they will be opening one of them on July 6. At the pool they are opening, they are keeping the kiddie pool and slides closed. They are providing three lap swim sessions per day. Each session is 45 minutes long and they are limiting the number of swimmers to one swimmer per lane across their six total lanes. They are also providing two public swim sessions per day that are 2 hours long. Their maximum capacity is 50 people per session and they are requiring advanced registration. Lap swim requires a membership that costs \$75 and their website says they are sold out indicating they capped the amount they sold this year. For public swim they are not using memberships, but are instead selling tickets online to reserve a spot. The tickets can be purchased five days in advance of a session, at a cost of \$9 per ticket, and a maximum of 10 tickets can be purchased for a day per household.

Other Surrounding Districts

Skokie is planning to open on June 13th and have not finalized their capacities and schedule for public consumption. Northbrook and Highland Park are not opening at all this year. Winnetka and Evanston don't have pools. As you go further west past Glenview, many communities stated in April and May that they would not open this year. Some have indicated they are reconsidering.

If you have any questions, please contact me.
