CENTENNIAL ICE RINKS

Presents

...A Show In The Making

Skaters from our skating program will be skating in **three** performances:

Friday, May 10 at 7:00pm, Saturday, May 11 at 4:00pm & Sunday May 12 at 2pm

If you have any questions, please contact Florence Krieger,
Figure Skating Supervisor at fkrieger@wilpark.org, 847-256-9684

Eligibility for group numbers

Skaters must be enrolled in group classes for the **Winter & Spring** sessions in order to participate in the class level group number. Any of the following apply:

- Snowplow Sam through Basic Skills
- Pre-Free Skate - Free Skate 6 and Advanced FS level skaters
- Hockey Class (in a number designed just for hockey)
- High School class or Theater On Ice class

The level of your skater's **Winter** session class (**as of Jan 8, 2024**) is the class level you should register for the ice show, unless told otherwise by the Skating Supervisor.

Eligibility for featured performance opportunities

- Free Skate 3 & 4 enrolled in class, may sign up as a line leader.
- Free Skate 5 & 6 enrolled in class, qualify for one of three step-out spots in a group number (*brief routine performed leading into and out of a group number*) for all 3 performances, **or** a two night duet.

Eligibility for a solo performance

- Skaters enrolled in a class for the Winter and Spring sessions and who have *passed* Free Skate 6 and have a landed axel, will receive a one night solo
- Advanced Skaters with a landed axel and at least two double jumps, will receive a three night solo
- Graduating High School Seniors will be guaranteed a solo spot

Advanced FS skaters who are **not** enrolled in a class **must meet three (3)** of the following criteria to receive a solo spot:

Skate 3 hours a week of practice ice at Wilmette Centennial Ice Rinks
Wilmette Resident
Have a Staff coach
Passed USFS Juvenile FS test or higher
Landed Axel

Soloist will be expected to participate in at least one group number in addition to their solo

Rehearsals

Class time is **not** used for rehearsals (exception being Theater On Ice and High School classes). Rehearsals will overlap with the classes for 4 weeks (5 wks for **FS 5/6, Adv FS**)

A rehearsal schedule is included in this packet. Refer to it for the scheduled rehearsal times for your skater.

All participants must attend a minimum of 3 out of 4 group rehearsals.

Please notify the office or your choreographer immediately, should you have a conflict of any kind.

Pre FS - FS 4 will participate in their class level group number *and* the Opening number.

FS 5 – Advanced FS will participate in their group level number, Opening number, and Senior Precision (optional)

Dress Rehearsal and Shows are MANDATORY for all cast members. Promptness is crucial for a smooth run-through. Please allow enough time to put on costumes and skates. At the dress rehearsal the finale will be rehearsed first so skaters may stay and watch, or leave following their group's number.

Video

Video of the show will be made available to every registered skater in the show. Video recording of the show will take place during the **Friday and Sunday** performances.

Costumes

Costumes for the group numbers will be ordered by the Wilmette Park District. Fill in the measurements for the skater on the back page of this packet before turning in your packet.

Costumes are made to fit standard sizes; minimal alterations may be needed to compliment your skater. Once ordered, **no refunds or exchanges can be made.**

Please allow room in your measurements for 4 months of growth for your child.

An accurate girth measurement is crucial.

Costume Day (optional) - Saturday, January 13 and Jan 20 from 10:00am - 12:00pm. We will have staff available to assist you with measuring for the costumes and registering for the ice show.

Registration / costume measurements and payment due on or before- *Wednesday, January 24, 2024.*

Any form received after that date will be subject to availability and a \$30 late fee, with no exceptions.

Your costume order will not be processed until the form is complete and the fee is paid.

Featured Skaters and Soloist will provide their own costume for their individual featured number.

The registration fee includes your costume for the group number, choreography, rehearsal ice-time and a video link of the show. All freestyle levels will also receive a show T-shirt

All Female skaters shall wear skating Suntan tights. Danskin, Mondor or Capezio Suntan tights can be purchased at Allegro Dance Boutique in Evanston, Rainbo Sports in Glenview, Body and Sole in Northfield, or online. Tights will be available for purchase at the office for \$12 a pair. No shiny tights.

Rental Skates

There is no charge for rental skates during the performances or rehearsals. Rental skates may be taken home for the dress rehearsal and shows as long as they have been signed out by leaving your credit card number and contact info at the front desk.

Skaters are responsible for covering rental skates with white boot covers for girls and black for boys, during the dress rehearsal and show performances (Available at Rainbo Sports in Glenview, or online.)

Skaters in the hockey number do not need to cover their skates.

Volunteers – we need you!

It is always our objective to run a fun, safe show, and **we need your help** to accomplish this! We would greatly appreciate it if a female member of your household (Mom, Grandparent, adult Sibling, Guardian or Nanny) would consider volunteering for at least 1 show or the dress rehearsal.

Volunteers are needed to assist the staff in watching over skaters, helping with costumes, hair bows, laces, make-up, calming nerves, etc.

We would like to have **at least 2 volunteers per group** for each **performance**. You may volunteer to assist your skater's group for more than one performance, if you'd like.

Volunteers are allowed to leave the dressing room area in order to watch their group skate and must return following the number. It is required that you remain in the dressing room until all of your skaters are accounted for at the end of a performance. Many Ice Rink staff members are on hand to offer support and guidance throughout the show.

If you can help, please fill out the attached form below and return it with your costume form. Should you have any questions, please contact Florence Erie Krieger, Skating Supervisor at fkrieger@wilpark.org or at 847-256-9684

We couldn't run a successful show without the support of our skating families!

Thank you for any help you can provide! Please fill out the lower portion of this page and return to rink office
