

# OUILMETTE FOUNDATION 2026 SPONSORSHIP FORM

With the support of friends, neighbors and organizations like yours, the Ouilmette Foundation has raised more than \$450,000 to support several impactful projects in the Wilmette community. These have included significant contributions to the Wilmette Park District's Family Scholarship Fund, the creation of the Gillson Park Bird Habitat and the installation of the accessible path throughout Key Nature Center.

This year, we are focusing on reconnecting and reengaging as we work behind the scenes to reset and rebrand, and most importantly, get back to the root of why the Foundation was reestablished in 2014 – to raise funds for the restoration of the Wallace Bowl in Gillson Park.

We are excited to host a new fundraiser on August 1 that overlooks our beautiful Lake Michigan at the most beautiful time of day – during sunset. *Sunset Over the Beach* will be an unforgettable evening of music, dancing, a beach bonfire and lakefront views. We cannot wait to reconnect with you. Thank you in advance for your generous contribution.
